SPEAKERS

During this presentation we will look at the psychology of couples from the perspective of the unconscious. The subtle but profound influence our minds play on our most intimate relationships, and some ideas of how to work with couples in therapy; trying to get to the core of the dynamics within the couple and the therapist..

[Tim Swisher](#) MHR, LIMHP, Certified Jungian Psychotherapist is in private practice in the Old Market with Davis, Larimer, Kuhl, Swisher, Thomas, and Thompson Psychotherapy Associates.

[Steve Thomas](#) MS, LIMHP is an artist, writer, and owner of Firefly Horizons, Inc. As a mental health practitioner Steve operates a private practice out of offices in the Old Market with Davis, Larimer, Kuhl, Swisher, Thomas and Thompson Psychotherapy Associates and West Omaha with Arbor Family Counseling.

[Deb Wesselmann](#) MS, LIMHP is co-founder of *The Attachment and Trauma Center of Nebraska* and has specialized in treating attachment trauma for 33 years.
